

DESCRIPTION

A rare opportunity with panoramic views - A 18.87-ares lot facing due south. Located in a quiet, lush setting, this property enjoys an exceptional location with a due-south orientation and unobstructed panoramic views of the surrounding countryside. Set on a generous plot of 18.87 ares, it offers great potential for a development project. A barn-style outbuilding, with plenty of space, completes the property and represents a considerable asset for a conversion project (residence, workshop, storage, or other uses subject to permits). The land's unique layout allows for various development possibilities while offering a peaceful setting and optimal natural light throughout the day. Highlights:- 18.87 ares of land- South-facing- Unobstructed panoramic view- Quiet, natural surroundings- Significant development potential- Barn with spacious, usable interior Ideal for investors, developers, or individuals looking for a project with character and potential.
